Letter content:

Dear Mrs. O'Malley:

You don't know me but I am a little bit kin to you through the SEGRAVES family. I am enclosing a sheet showing how I am descended from Sherrod SEGRAVES who lived in Dyer County and died in 1893. I talked with Mrs. A.H. (Martha) BLEDSOE about the SEGRAVES family and she said that perhaps you would know more than she did about the family. (She said you were the one in the family with a lot of sense.)

If I understood Mrs. BLEDSOE correctly, your mother was a COTTON. Were your grandparents named Dan COTTON and Annie May SEGRAVES? From the census records I learned that Annie May SEGRAVES was born about 1870 and she was the daughter of George W. SEGRAVES and Eliza Harriet ENOCHS. On 15 Nov 1888 in Dyer County, Annie May married Dan COTTON. And that is all the information that I have on this family. Who were their children? How are you related to them? Was George W. SEGRAVES' full name George Washington SEGRAVES?

I am not any relation to the Frank WALKER who married Rosa SEGRAVES (the sister of Mrs. BLEDSOE). I am descended from the SEGRAVES on my mother's side. See the enclosed sheet and I hope you understand exactly how I am related to your family. I am trying to gather all the information I can on the SEGRAVES. Someday I hope to publish it. Any information you can give me will be very helpful. I hope you have a merry Christmas!

Sincerely yours, Johnny D. Walker

Letterhead: MILLIE

Hi folks,

Got your letter and was glad to hear from you for whatever reason.

I had some of the enclosed information already; but it took me a couple of weeks to find it----when I did I got my wits together and decided I would put the rest of the information in one place too.

Glad Larry was able to come and visit you and that you enjoyed his visit so much. I hope this info is what he is interested in for his family tree.

We finally got a break in our weather and it seems good for a change to have the temperature below 90 degrees. In fact we have had a couple of good rains in the past week so that makes everything a lot better.

I hope you were able to find some shoes you liked at the sale---I know sales can be disallusioning at times.

I don't think I told you before but we are going to have a WALMART here in Oswego, won't that be nice???????? It should be built and open some time next year. I'm really looking forward to that, since I enjoyed shopping at the one in Dyersburg so much.

We had to change doctors because our dr. has cancer and has curtailed his practice. I had my first complete physical in about 30 years a couple of weeks ago, and except for a little high blood pressure, I was given a clean bill of health.

The new bedroom fan is just great and I don't know how I ever got along without it.

There isn't much news here---do hope that all is well with both of you. Do drop a line again when you feel the urge.

GOD BLESS YOU BOTH, We love you much, Millie, Barb & SNICKERS

Subheadline: Beloved Citizen Passes Away At Dyersburg Following Illness Of Ten Days

Dan Cotton, Sr., beloved citizen of Dyersburg, public official and pioneer resident of the county, died at his home here on Miller street at two o'clock Thursday morning following an illness of ten days. He was seventy-one years of age on October 8, 1930.

Funeral services will be held at the Cumberland Presbyterian church of which he was an ardent and active member here at two o'clock Friday afternoon, conducted by the Rev. H. L. Hinch, pastor, and Rev. George P. Scott. Burial will be at Dyersburg.

His parents were pioneer residents of West Tennessee and Mr. Cotton was born in Dyersburg and had resided in Dyer county all of his life, except while managing his father's plantation in Missouri for a short while.

Public Official:

Mr. Cotton's mother was a member of the Clark family, who built Dyer county's first log courthouse on the banks of the Forked Deer river here and who also furnished the county's first sheriff.

Mr. Cotton himself had a long and enviable career as a public official. He was for several terms trustee of the county and was for two years chairman of Dyer county court, his term expiring this year. He was a member of the court from the fourth district at the time of his death.

Prior to his entering official life, Mr. Cotton was in the hardware business here and later was a real estate dealer. He always enjoyed the respect and highest esteem of his fellow citizens,

business associates and brother officials and more than once was appointed to the position of leader among them.

Widely Known:

Due to his many years in public life, Mr. Cotton was one of the best and most widely known men in the county and his passing Thursday was learned with sincere regret throughout Dyer county and in West Tennessee, where he also was prominently known.

5. If we sin God (can't forgive us, forgives us for Jesus' sake, forgives us only if we promise never to sin again.)
6. Repentance means (to be sorry we have been caught doing evil, to be sorry enough to quit, to be sorry a little bit but unwilling to give up our meanness.)
7. Forgiveness means (we get no punishment, God will overlook our sin "like Santa Claus does," right relations are restored between us and God.)

9. Every person who truly loves Jesus will want to be a member of his church. True or False.

ITEMS WITH UNCERTAIN READINGS

The following items have handwriting that is difficult to read with certainty:

1. **Page 12**: Some dates in the Segraves tree have question marks in the original (e.g., Annie May's birth year shown as "1870?")
2. **Page 12**: Name spelling varies between "Seagraves" and "Segraves" across different documents - correct spelling uncertain
3. **Page 9**: Ben Love's children - unclear if "Ben Howard" is one person or two separate children (Ben and Howard)

KNOWN ERRORS IN SOURCE DOCUMENTS

1. **Page 16 (Millie's typed document)**: Lists Gerald & Emma Ruth's wedding as "December 28, 1936" - the correct date is **December 28, 1934**
2. **Page 16**: Lists Patricia's birth as "April 2, 1938" - the correct date is **April 2, 1937**
